

## Darshan Hall

Darshan will be held at the BOULDER First United Methodist Church, in downtown Boulder, at 1421 Spruce St., Boulder, CO, 80302 (303-442-3770).

Boulder is located in the foothills of the Rocky Mountains, just 35 miles northwest of Denver. Home of the [University of Colorado's](#) main campus and the [National Center for Atmospheric Research](#), Boulder sits 5,430 feet above sea level and is surrounded by a greenbelt of [city trails and open spaces](#). Boulder is known for its natural beauty, outdoor recreation, natural product retailers and restaurants, outstanding [alternative transportation options](#), diverse businesses, and technological and academic resources.

Finding free parking near the church can be a challenge, especially in the afternoon. There is free 3-hour parking in the residential area north of the church. In the evening, free parking is a bit easier to find: the church has a small parking lot that is available starting at 6pm; and the parking garage at 15<sup>th</sup> and Spruce is free in the evenings. In addition, most of the street parking in the downtown area is free starting at 7pm. If you don't mind paying a small fee, your parking options are much greater. There are 5 parking garages within 6 blocks of the church, 2 of them within a block (15<sup>th</sup> and Pearl, and 15<sup>th</sup> and Spruce). They charge \$1.25/hour.
